Statements that use the words "expect," "should," "believe," "will," "might," or similar words reflecting future expectations or beliefs are forward-looking statements. The statements found above are based on current expectations. Actual results or events may differ materially from this release. Factors that could impact future results may include, without limitation, the effect of both domestic and global economic conditions, the impact of competitive products and pricing, and the availability and cost of raw materials. For a more complete discussion of factors that may affect the company's future performance, please refer to the company's most recent 10-K filing on December 18, 2009, under the Securities Exchange Act of 1934, in particular the section titled, "Private Securities Litigation Reform Act" contained therein. The forward-looking statements are intended to express the company's expectations as of the date of this release. The company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
