

Quanex Building Products Corporation Announces the Promotion of Deborah Gadin to Vice President - Corporate Controller

May 30, 2008 4:16 PM ET

HOUSTON, May 30, 2008 (PrimeNewswire via COMTEX News Network) -- Quanex Building Products Corporation (NYSE:NX), an industry-leading manufacturer of value added, engineered materials and components for the Building Products market, today announced that Deborah M. Gadin, 38, was promoted to Vice President - Corporate Controller. In her new position, Gadin will report to Thomas M. Walker, Senior Vice President - Finance and Chief Financial Officer. Gadin will replace Brent L. Korb, who has accepted a position at another company.

Ms. Gadin will be responsible for all corporate controllership functions, including consolidated financial reporting, SEC reporting, corporate budgeting and analysis, information systems, corporate-wide internal controls, and internal and external financial reporting. Gadin formerly held the position of Assistant Controller at Quanex since 2005. Prior to that, she was Director of Financial Planning, Reporting and Analysis at Hexion Specialty Chemicals, Inc. Previous to that, she held several director positions in financial reporting, operational process improvement and corporate development at Service Corporation International.

"Debbi has extensive experience in financial management, reporting and control, mergers and acquisitions, and audit," said Walker. "We look forward to her ongoing contributions to the organization as we continue to implement our strategic initiatives."
