Explanation of Responses:

- Each phantom stock unit was the economic equivalent of 1 share of Quanex Building Products common stock. On the transaction date, the amount in column 5 of the reporting person's phantom stock units were settled for cash.
- Units credited under the Deferred Compensation Plan are 100% vested unless they are a result of the company's 20% matching award which vest 3 years from the date of deferral. Distributions under the Deferred Compensation Plan are made beginning on a specified date selected by the participant or upon a participant's death, disability, or termination of employment.
- Due to limitations in the Transcendive software, the Expiration Date is the same date as Date Exercisable.
