Explanation of Responses:

- Shares acquired through Employee Stock Purchase Plan.
- Units that are credited to the participants account under the Quanex Corporation Deferred Compensation Plan as a result of the participant's deferral of income or fees, as the case may be.
- Conversion price is 1-for-1.
- All units credited under the Deferred Compensation Plan are 100% vested at all times; provided, however, that if a participant receives a benefit from the Deferred Compensation Plan for any reason other than death, disability or retirement within three years after a deferral is credited to a participant's account, any matching awards made by the Company with respect to such deferral will be forfeited. Distributions under the Deferred Compensation Plan are made beginning on a specified date selected by the participant or upon a participant's death, disability, or termination of employment.
- Date exercisable is 7/23/2004. Due to the limitations in the Transcendent Software, a date cannot be entered at this time.
- The option becomes exercisable in one third increments annually beginning one year from date of grant.
